

ALTENRIED ETTI & CO.

Vice President (f/m/d) Mergers & Acquisitions

About us

Altenried Etti & Co. is a specialized investment banking boutique focused on acquisition and growth strategies, providing tailored Mergers & Acquisitions, financial and strategic advice based on comprehensive sector know-how and a deep understanding of private capital markets. We support financial sponsors as well as ambitious entrepreneurs and management teams in pursuing strategic and platform transactions, developing and realizing dedicated buy & build strategies and funding growth initiatives.

Who we are looking for

We are looking for a Vice President (f/m/d) to support our growing team in Munich. As a Vice President you are able to execute a variety of transactions and support the continued growth of our client relationships and technology sector expertise.

Your Responsibilities

As a Vice President you are involved in all parts of transaction execution including financial and business analysis, process execution, valuation, deal structuring and the preparation of documents for client, board, and investment committee meetings. You will also build and maintain client relationships as well as supervise and mentor junior team members.

Your Profile

- At least 6 years of relevant work experience within investment banking / M&A
- Strong execution capabilities supported by a track-record of closed transactions
- Experience in developing and mentoring Analysts / Associates
- Ability to work independently in a fast-paced environment
- Entrepreneurial mindset and ambition to develop client relationships
- Excellent analytical and communication skills
- Prior experience with technology transactions is a plus
- Fluent in German and English

Contact

Your application should contain a cover letter and resume including transcripts. Please send us your documents by email to:
